FINE MACKEREL FARES.

Two Elegant Salt Trips Arrived Here Today.

Sch. Nellie Dixon Has Big Trip at Boston.

The mackerel receipts this morning are of a very encouraging character, sch. Corsair being in with 317 barrels of salt mackerel and sch. Bessie M. Davine with 330 barrels. These are among the finest fares of the season and extra good for this time of the year. The trips were taken recently about 12 miles east southeast of Mt. Desert Rock, when the steamer Alice M. Jacobs got her big fare.

Sch. Corsair, Capt. George Hamor, will add materially to his already fine stock, this trip putting him up to a stock of \$20,000.

Sch. Nellie Dixon is at Boston this morning with a big fare, 300 barrels of salt mackerel and 200 barrels of fresh mackerel. This is an elegant trip and will at prevailing prices net a fine stock. This fare was also taken 12 miles east southeast of Mt. Desert Rock.

Steamer Alice M. Jacobs counted 39,970 fresh mackerel at Boston yesterday, and brought her 160 barrels of salt mackerel to this city.

HIGH FIGURES.

Cunningham & Thompson Secure the Big Bank Fare.

Trip of Sch. Harry A. Nickerson Bought at Sharp Advance.

The fare of bank cod of sch. Harry A. Nickerson, of Boothbay, Capt. Clayton Morrissey of this city, was bought by Cunningham & Thompson this morning at \$3.25 per hundred weight for large and \$2.75 for medium. This is a sharp advance in price, as the Board of Trade figures are \$2.75 per cwt. for large and \$2.25 for medium.

Last season the highest price paid was \$3.55 for large and \$3.05 for medium, but was on a summer trip and the fall fares did not bring as much.

Sch. Meteor arrived yesterday from La Have Bank with 45,000 pounds of salt cod and 50,000 pounds of fresh cod. Cunningham & Thompson bought the fare, paying \$3.25 for large and \$2.87 for medium fish on the salt fish and \$1.90 for large and \$1.35 for medium on the fresh fish.

Deadly Cod Traps.

Some anxiety is felt concerning the future of the fisheries of Newfoundland, in which more than five-sixths of the adult male population of the island are employed in one way or another. The danger is altogether due to the system of cod traps which is allowed along the shores, which it is claimed kills the young fish.

Halibut Sale.

The fares of schs. Yakama and Madonna sold to the New England Fish Company at 9 cents per pound for white and 7 cents for gray.
